ESGE Scientific Events 2020

ESGE Annual Congress 2020

Dear ESGE Friends and Colleagues,

The recent **COVID-19 pandemic** has resulted in a lot of consequences in our daily practice, changing also the planned scientific activities of the Societies. With regard to **ESGE planned scientific events** for this year, we would like to take this opportunity to provide you with the latest status:

ESGE Webinars

- ESGE is preparing a new concept in Webinars to begin broadcasting mid July. Information regarding the first Webinar “No need for Septum Incision: is it true?” which will be transmitted on **11th July** can be found here:

ESGE Annual Congress

- ESGE is committed to holding its Annual Congress in Portugal, but 2020 is not possible due to the ongoing COVID-19 pandemic and the resulting venue and travel restrictions. However, we are pleased to announce that we have postponed this event to October 2022. Our **30th Annual Congress** will take place in **October 2021** as originally planned and will be followed by the **31st Annual Congress in Lisbon, Portugal in October 2022**.

For further information please contact centraloffice@esge.org

ESGE Scientific Event

- ESGE is planning to hold a **High Class Scientific Event** towards the end of the year where participants will have the opportunity to experience live surgery and lectures, participate in practical workshops, and experience the latest innovations from Industry. More information to follow about this event in the next weeks.

More information regarding additional ESGE activities can be found at www.esge.org and on our social media platforms [Facebook](#), [Instagram](#) and [LinkedIn](#).
